

## FPC-30544

### HARDWARE FEATURES

Enclosures:

- IP55 weatherproof rating
- Powder coated mild steel
- Removable gland plate

Protection:

- Low voltage control and input circuitry

Inputs:

- Modbus RS485 communication to a Matelec pump controller
- 4x analogue inputs
- 2x digital inputs

Outputs:

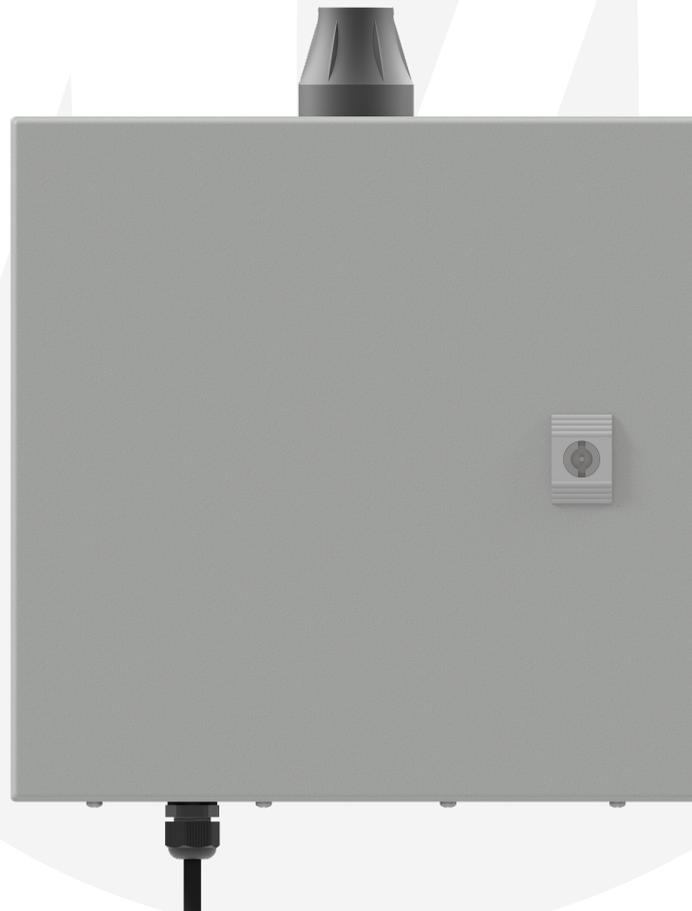

- 1x relay output

Included with panel:

- EC310 Netbiter and 4G modem (requires standard 15x25mm SIM card)
- Vandal resistant antenna
- 10 Amp 3 pin 1.5m power supply lead

### FUNCTION FEATURES

- Enables remote monitoring a pump controller through a web based dashboard
- Live monitoring and control of pump controller parameters and remote fault reset
- Historical logging, showing operational history for system optimisation and fault finding
- SMS or email fault messaging sends descriptive messages when an alarm condition is initiated or cleared, or when web server cannot contact Netbiter

### SINGLE PHASE (230VAC) - FPC-30544

Code	Description	Enclosure Size
FPC-30544	Netbiter Remote Monitor	300x300x150mm
